DESCRIPTION

2022 MORGAN PLUS SIX (Including Factory Hard Top)

Built at the Morgan Motor Company in Malvern, Worcestershire and first supplied by Approved Morgan agents, Oakmere Morgan, in January 2022, we are delighted to offer for sale, this motoring season, this highly attractive example of the iconic Morgan Plus Six, finished in Metallic Dark Silver over Ivory soft grain leather and finished by the Black Mohair hood.

Powered by the BMW 2998c B58 turbo charged inline 6-cylinder engine, producing 335bhp and 369lb/ft of torque, driven through a 8-speed Automatic transmission with comfort, Sport and Sport + shift modes. With a dry weight of just 1,114kg's, this Morgan Plus Six is capable of reaching 0-60mph in 4.2 seconds and a top speed of 166mph yet still delivering a combined MPG of 35.7.

The high specification of this Morgan Plus Six includes: 18" Speedster wheels, in Black, Air conditioning, sun visors, Black carpets, comfort Plus seats with quilted twin needle stitch, heated seats, leather seat backs, embroidered headrests, Brown velvet wood pack, Black steering wheel centre, Black stone guard with polished mesh grille, Spotlights and lockable storage box. This car is also fitted with Bluetooth audio.

Serviced, to schedule, by Morgan, including its last service in December 2024, this car is in excellent order throughout, having covered just over 17,800 miles from new. The paintwork virtually unmarked, protected in key areas by PPF and the interior displaying only the lightest evidence of any use. A history file, supplied with the car, includes previous service invoices and MOT certificates.

Supplied with a colour coded Hard Top, purchased from Morgan in 2023, by its sole previous owner, at the cost of £5,665.50 + VAT and the custom Morgan branded hard top bag at the further cost of £440 + Vat.

Accessories supplied with this Morgan Plus Six include the original owner’s manual in the leather Morgan slipcase and a full complement of keys.

Much cherished by its only owner, a Morgan Enthusiast, who purchased the car when new in 2022 and taken in part exchange against an Aero 8, this highly attractive Plus Six is on the button, ready to be enjoyed by its next custodian.

Available for viewing and demonstration now at our Hertfordshire showrooms.
