DESCRIPTION

2023 MORGAN SUPER 3

Stay cool this summer in this super fun, Super 3 Morgan!

Built at the Morgan Motor Company in Malvern, Worcestershire and first supplied by Morgan London, in October 2023, finished in an attractive Desert Glow Silver Metallic paint over the optional Pebble Black Leather with contrasting silver stitching.

Powered by the Ford Dragon 1.5L in-line three-cylinder engine, producing 118bhp and 111lb/ft of torque, driven through a 5-speed manual gearbox. With a length of 3,581mm and a dry weight of just 635kg's, this Morgan Super 3 is capable of reaching 0-60mph in 7 seconds and a top speed of 130mph! Tested by the team here, we can confirm it is a real hoot to drive!

This high specification of this 2023 Model Year Morgan Super 3 includes: 4 stud alloy graphite wheels, Gloss Black cockpit hoops, stainless exhausts with Super3 black exhaust tips, LED headlights with additional LED spots, Matte veneered dash, Black anodised cockpit hardware, 14D Moto Leather Black steering wheel, Black cockpit rails, Phone mount, footwell lighting, Low Fly screens, Lockable stowage, Dash navigation, USB charger and Cup holder Black side and rear racks and Mohair Black tonneau. A full build specification is available by request.

Serviced, to schedule, by Morgan, including its last service in October 2024, this car is in excellent order throughout, having covered just 5k miles from new.

Accessories supplied with this Morgan Super 3 include tonneau cover, panniers, the original owner's manual and a full

complement of keys.

Much cherished by its only owner, a Morgan Enthusiast, who purchased the car when new in 2023 and taken in part exchange against an Aero 8, this highly attractive Super 3 is on the button, ready to be enjoyed by its next custodian.

Available for viewing and demonstration now at our Hertfordshire showrooms.
