

2018 ASTON MARTIN V12 VANTAGE

£175,000

AMR ROADSTER

5.9l - 4,315 miles - Pure Black - Manual

					
Bodystyle	Mileage	Engine Size	Fuel Type	Transmission	Exterior Colour
Convertible	4,315 miles	5.9l	Petrol	Manual	Scintilla Silver

DESCRIPTION

Highly specified, low mileage and in superb condition throughout, we are delighted to offer this ‘last of the line’ limited edition V12 Vantage AMR Roadster, finished in Scintilla Silver over Pure Black hides and equipped with the 7-speed manual gearbox.

Launched in June 2017, the V12 Vantage AMR, the final production derivative of the V12 Vantage, was conceived and produced in celebration of the Aston Martin’s racing success, in particular with their GTE class win at the Le Mans 24 hrs that year. Equipped with the last and most powerful variant of the sonorous, naturally aspirated 6.0 litre V12 engine, the AMR specification producing 595 bhp which when mated to the 7-speed (dog leg) manual gearbox, is an absolute thrill to drive and a highly fitting tribute to its endurance racing counterpart.

Incredibly, just 29 V12 Vantage AMR Roadsters were built, for worldwide consumption, 20 in UK RHD specification, making this one of the very rarest variants of one of the most admired Aston Martin models. A real collector’s item!

This particular example was supplied by Aston Martin Works and first registered in January 2018.

In addition to standard V12 Vantage AMR specifications, notable options specified on this example include; Bang & Olufsen Beosound Audio, Carbon Fibre Lightweight seats, Vivid Orange brake calipers, full length twill carbon facia trim, front grille carbon, front parking sensors, Piano black interior trim pack, Interior carbon pack, Gloss Carbon Fibre mirror caps, Carbon tail lamp finishers, AMR headrest embroidery, reversing camera, Lightweight black wheels and wind deflector. A full build specification is

available on request.

Much cherished by its two owners, this car is presented in excellent condition throughout, with only the lightest evidence of use, the paintwork having been protected by PPF. Servicing has been carried annually, to schedule, by Aston Martin Works and will be supplied freshly serviced, to schedule, with 12 months MOT and 12 months warranty.

The combined attributes of naturally aspirated, highly audible, smooth and visceral sportscars with manual transmissions, are now becoming a ‘thing of the past’, as the industry marches to a turbo, hybrid and electric future. The V12 Vantage AMR is a modern classic in every sense, a homage to racing glory and extremely rare.

The highest specified example we have handled to date, with just 4,315 miles covered and remaining in virtually as new condition throughout, this superb ‘last of a type’ supercar is highly recommended to the new era collector or enthusiast alike.

Available for viewing and demonstration now at our Hertfordshire showrooms.

- Alarm upgrade (volumetric and tilt sensors)
- Immobiliser
- Remote central locking + boot release
