DESCRIPTION

2013 ASTON MARTIN VANQUISH

Tastefully finished in Skyfall Silver over Phantom Grey hides We are delighted to offer to market, this stunning, highly specified example of Aston Martin's former flagship model, the Vanquish.

First introduced in 2012, the Vanquish, positioned as the ultimate super grand tourer, evolved the design of its predecessor, the DBS and incorporated in its manufacture the use of Carbon fibre body panels, the first production Aston Martin to do so, in order to restrain its kerb weight to 1739kg. Aston Martin's 6 litre V12 engine was upgraded for the Vanquish to 565bhp, providing enough power to propel this car to a quoted top speed of 201mph.

Lighter, stiffer and more powerful than the DBS it replaced, at the top of the Aston Martin tree and now, some 8 years after production ceased, the Vanquish model has firmly established itself with the Aston Martin enthusiast community, who are attracted by the timeless styling and effortless performance.

This superb 2013 model year example is finished in Skyfall Silver (AML Special) paintwork over Phantom Grey hides, with silver contrast stitching and lightweight Phantom Grey carpets.

Notable optional extras specified with this car include; Black brake calipers, Black textured tailpipe finishers, Full length Twill Carbon fascia trim, Black vaned front grille, Shadow Bronze jewellery pack, Iridium interior trim pack, Carbon fibre mirror caps, Carbon fibre roof panel and Carbon fibre side strakes, Reversing camera, ventilated front seats, One-77 steering wheel and 20" 20 spoke Gloss black and Diamond turned wheels. A full list of options is available on request.

First registered in March 2013 and purchased by its most recent owner in 2018, joining an enviable collection of New Era Aston Martins, this much cherished example has been serviced annually at Aston Martin Main Agents, 11 times in total.

Our pre-sales inspection confirms its excellent mechanical condition and presenting to the highest standards. The Skyfall Silver paintwork being unmarked and the interior displaying only the faintest evidence of use. Supplied with our usual industry leading standards of preparation, freshly serviced, to schedule and with 12 months MOT and 12 months warranty.
