DESCRIPTION

2015 Aston Martin Vanquish Volante (8 speed)

Offered to market for the first time and finished in Ceramic Grey over Phantom Grey / Falcon Grey hides, we are delighted to offer for sale, this ‘one of one’ specified Vanquish Volante.

The then range topping Vanquish Volante was introduced by Aston Martin in 2013 and produced until 2017 when replaced by the Vanquish S Volante. In total, just 1001 examples of the model were built. In 2015, model year updates included the new 8-Speed ZF ‘Touchtronic III’ transmission and an increase in engine power output to 568 bhp thus allowing the Vanquish Volante to achieve a top speed of 201mph whilst delivering an improved 22.1mpg.

The superb 2015 model year example we now offer for sale is finished in the rarely seen exterior colour of Ceramic Grey over a stunning Two-tone interior of Phantom Grey and Falcon Grey hides with Kestrel Tan stitching and seat embroidery. Complemented by Phantom Grey carpets and a black convertible hood.

Notable optional extras include; Piano Black interior trim pack., alarm upgrade, Grey brake calipers, bright tailpipe finishers, full length Piano Black fascia trim, bright finish front grille, Shadow Bronze jewellery pack, Magnum Silver meshes, ventilated front seats, bright side strakes and 20” 20 spoke Liquid Silver wheels. There’s even ISOFIX on the front seat for those needed to accommodate a baby seat! A full build record is available by request.

Supplied new to its sole owner by HWM Aston Martin and serviced exclusively by the same dealer 11 times since new, including its last annual service in February 2026. Our pre-sale inspection confirmed this car is in superb condition throughout and is supplied fully prepared, to our usual highest standards, with 4 new tyres, 12 months MOT and 12 months warranty.

Arguably representing a high point in Aston Martin production, the flagship convertible Vanquish Volante, is likely to be long lusted after by the Aston Martin enthusiast community and this example, considering its specification, low mileage and single owner from new, is surely one of the best available and quite possibly, unrepeatable.

Available for viewing and demonstration now at our Hertfordshire showrooms.
