## DESCRIPTION

1997 Aston Martin V8 Coupe

Superbly maintained and traditionally specified, the V8 Coupe, of which just 101 were manufactured, represents the end of an era of British coach-built cars, constructed and assembled by hand. This excellent example 1 of only 8 finished in British Racing Green, is complemented with Fawn Connolly hides piped in Dark Green. Delivered in February 1997 via London agents Stratstone, after its 12 week build period.

Now having covered 27,000 miles whilst being cherished by its 3 owners, maintenance throughout its life, has been carried out by Aston Martin agents and renowned specialists, with no expense spared in keeping the car in exceptional condition. A comprehensive service history file, accompanies the car, including detailed invoices for recent significant works.

Powered by the renowned 5.3 litre Aston Martin V8 engine, delivering 350 bhp, through a 4 speed automatic transmission, the superb grand touring V8 Coupe, offers extreme levels of comfort, touring capability and discreet exclusivity. With similar engineering and body styling to the Supercharged Vantage model, the V8 Coupe is significantly less complex and less costly to maintain, while being available, at a fraction of the Vantage price.
