DESCRIPTION

2015 Aston Martin Works 60th Anniversary Limited Edition Vanquish Volante

Delivery Mileage.

Limited to just 6 examples, 3 coupe's and 3 Volante's, the specifications of the Aston Martin Works 60th Anniversary edition Vanquish were created to celebrate 60 years of residence at the former home Aston Martin production at Newport Pagnell.

With unique specifications to each car, the AM Works 60th Anniversary example we are delighted to offer, is finished in Hammerhead Silver with Obsidian Black Caithness hides with electron Yellow stitch, complemented by ventilated duo tone hide, centre seat panels.

Exterior and interior detailing includes a distinctive 'Large Weave' carbon packages and Rotary switch gear, fashioned from re-worked and lazer etched pistons, each individual car depicting an era of production at the famous Newport Pagnell works. In this instance 1995-2005, complemented with a designed by 'Q' embroidered celebratory logo, depicting the Works 60th Anniversary edition. Equipped with original Yellow Tang accent Diamond turned wheels and side strakes, the car is offered with conventionally finished wheels and strakes, allowing the original unique items to be stored separately, for show and display purposes.

Additional optional extras specified with this particular car includes Bang & Olufsen Beosound Audio, reversing camera, unique sill plaques and

a One-77 style steering wheel.

Delivered in 2015 to its first and only owner, this exceptional, delivery mileage example has been stored professionally from new and is in 'as delivered' condition.

Built and delivered during the last years of normally aspirated V12 engine production, this distinguished and extremely limited special edition Vanquish Volante, originally priced at £275,000, represents a superb opportunity for a 'New Era' collector, to acquire a unique and highly regarded Aston Martin 'Special edition' Vanquish Volante, at a considerable saving.
