DESCRIPTION

Offered to market for the first time, this immaculate, low mileage, one owner DBS Ultimate, finished in Quantum Silver over Obsidian Black hides with contrasting red stitching.

Carrying on a tradition founded with the Vanquish S Ultimate edition in 2007, in May 2012, Aston Martin announced that the last 100 examples of their flagship model, the DBS would be the ' DBS Ultimate ' Limited Edition, available as either a Coupe or Volante.

The 'Ultimate' specification included: 2012 model year DBS with 2+2 seating, coachwork in AML Carbon Black, Quantum Silver or Silver Fox, black front grille, bonnet and side strake meshes, carbon fibre wing mirror caps, Zircotec black coated exhaust tailpipe finishers, smoked rear lamps, black lamp surrounds and carbon fibre rear

lamp in fills, gloss black diamond turned wheels, DBS badge featuring a red 'S', Quilted Obsidian Black interior, diamond quilt alcantara headlining, carbon fibre upper fascia and piano black centre console, paddle tips trimmed in spicy leather, DBS seat embroidery including a red 'S', black anodised Bang & Olufsen speaker grilles and finally, a unique sill plaque featuring the individual build number.

In total, just 59 DBS Ultimate Coupes were built and supplied to all markets. The exceptional example we are delighted to offer, first registered in September 2012, has covered just 5,947 miles from new. This example, #18 of 100 is finished in Quantum Silver with Obsidian Black hides with Red stitching. In addition to the standard 'Ultimate' specifications, optional extras specified include; Red Brake calipers, Gloss black decklid panel, carbon fibre veneer, DBS headrest embroidery and Gloss Black Diamond turned alloy wheels.

This car is in superb condition, virtually unmarked. Maintained by the original Aston Martin Main Agent supplier, our own workshop has initially inspected the vehicle, carried out its scheduled service and pre-sale preparation. The car also benefits from a new set of tyres and is supplied with 12 months warranty, original custom fit branded car cover, battery conditioner, owner's manual and full complement of keys.

Considering recent softening of prices of this model, we would now suggest that this car looks like fantastic value for money for a desirable, limited edition iconic Aston Martin model, with just 1 owner and low mileage of less than 6,000 since new.

Available for viewing now at our Hertfordshire showrooms.
