DESCRIPTION

2012 Aston Martin DBS Ultimate - #18 of 100

We are delighted to offer, once again, this immaculate, low mileage, DBS Ultimate, finished in Quantum Silver over Obsidian Black hides with contrasting red stitching.

Carrying on a tradition founded with the Vanquish S Ultimate edition in 2007, in May 2012, Aston Martin announced that the last 100 examples of their then flagship model, the DBS, would be the 'DBS Ultimate' Limited Edition, available as either a Coupe or Volante.

The 'Ultimate' specification included: 2012 model year DBS with 2+2 seating, coachwork in AML Carbon Black, Quantum Silver or Silver Fox, black front grille, bonnet and side strake meshes, carbon fibre

wing mirror caps, Zircotec black coated exhaust tailpipe finishers, smoked rear lamps, black lamp surrounds and carbon fibre rear lamp in fills, gloss black diamond turned wheels, DBS badge featuring a red 'S', Quilted Obsidian Black interior, diamond quilt alcantara headlining, carbon fibre upper fascia and piano black centre console, paddle tips trimmed in spicy leather, DBS seat embroidery including a red 'S', black anodised Bang & Olufsen speaker grilles and finally, a unique sill plaque featuring the individual build number.

In total, just 59 DBS Ultimate Coupes were built and supplied to all markets. The exceptional example we are now delighted to offer, was first registered in September 2012 and has covered just 8,865 miles from new, in the hands of its two owners.

This example, #18 of 100 is finished in Quantum Silver with Obsidian Black hides with Red stitching. In addition to the standard 'Ultimate' specifications, optional extras specified include; Red Brake calipers, Gloss black decklid panel, carbon fibre veneer, DBS headrest embroidery and Gloss Black Diamond turned alloy wheels.

In superb, unmarked condition, maintenance has been carried out by the original Aston Martin Main Agent supplier, and most recently, in 2025, by our own workshop, at which time a new set of tyres and Apple Car Play was also fitted.

Supplied with 12 months warranty, original custom fit branded car cover, battery conditioner, owner's manual, history file and full complement of keys.

Available for viewing now at our Hertfordshire showrooms.
